

## PARTNERS INCLUDE:

# stARTem

We put the art in STEM

# WHO ARE WE?

## FOUNDED IN 2016

stARTem consists of a group of educators and artists, who bring creative opportunities for students to discover their purpose.

By integrating art into STEM resources, we believe that stARTem will strengthen students' ability to:

- Connect with the real world
- Improve their academic performance
- Prepare for future success

## OUR PROGRAMS

---

We create magic in the classroom!

STEAM  
CURRICULUM

PROFESSIONAL  
DEVELOPMENT

MURAL PROJECTS

Our job is to infuse science,  
technology, engineering,  
and math into the art world,  
so the future marketplace is  
equipped with STEAM  
leaders.
